PV-Stick austauschen / Replacing the PV-Stick

GEFAHR	
	Gefährliche Spannung! Nicht unter Last trennen! Stellen Sie sicher, dass die Anlage spannungsfrei und stromlos ist, und dass sie gegen Wiedereinschalten gesichert ist, bevor Sie den PV-Stick trennen.

DANGER	
	Hazardous electrical voltage! Do not disconnect under load! Make sure that the device is disconnected from the power supply and protected against re-connection and that it is de-energized, before you unlink the PV-Stick.

Der PV-Stick kann nicht wiederverwendet werden.

The PV-Stick cannot be re-used.
